Xtreme Kleen  
6485 CRAIN HIGHWAY

- We've been in contact with the owner, he has two (2) automatic touch free car washes with virtual treadles (this means no metal plate to drive onto, and four (4) self service bays with all the newest stuff. He's informed us that there is a building that is under renovations next door that we can use their parking lot to dry the cars and do detailing. He also has several vacuums on site as well
